Dear Parents,

As you're aware at Ysgol Caer Drewyn we have always had an open door policy and are always happy to talk to parents and those with parental responsibility about any issues or concerns and resolve any matters to the benefit of all involved. We value the contributions parents make to the school.

Unfortunately we have been made aware that a parent has recently used Facebook to comment on something that took place at school.

Social networking sites such as Facebook are not an appropriate place to discuss such concerns and we request that parents raise any questions with their child's class teacher or the head teacher.

Comments made on social networking sites can easily be viewed as being derogatory and could be interpreted as bringing the school or the reputation of an individual into disrepute.

Any content which is considered to be defamatory of an individual or the school, or damaging in any way, will be shared with Denbighshire County Council's legal department for them to investigate which could result in legal action.

We have always worked well with our parents to offer a variety of support whether it be for the education of the child or issues within the home at a parents' request. We will continue to do this and we would appreciate your support by bringing any concerns you have direct to school only and not through social media.

Thank you for your continued support.

Yours Sincerely

Mrs Jayne Davies
Headteache
