Just 1 Steve

We had another visit from Steve back in October and Mrs Davies and Dosbarth Collen enjoyed a workshop with him and their parents where he talked about the importance of reading. Dosbarth Derwen enjoyed an oracy and drama workshop and he even managed to sneak into Dosbarth Helyg too to read a few books and share some stories, whilst also enjoying a lunch with the chairs of our new Parliament groups. A very busy day and the children are always so inspired by him.

Parliament Groups.

We now have Parliament groups in school (from year 2–6) which meet every Friday to discuss ideas and projects and organise assemblies. They meet with Mrs Davies , Headteacher, every half term to share their ideas too.

Jambori.

The foundation Phase enjoyed themselves at the Jambori in Llangollen and they all looked fabulous in their hats ! Da iawn pawb. An excellent opportunity for them to try out their Welsh language skills and singing ability.

Dosbarth Derwen.

Years 5 and 6 have had a busy few weeks ! They have enjoyed lessons in Dinas Bran where they had the opportunity to make some bread, took part in drama activities and complete some circuits in science. As part of their theme on Danger Danger they have had a first aid workshop as well as been on a visit to Dangerpoint where they learnt all about how to keep safe in different environments. They have visited the Pontcycyllte aquaduct to learn all Thomas Telford and his amazing engineering.

European day of languages

The whole school took part in the day with classes focussing on different European countries. Finding out how to say "hello" and "goodbye" as well as learn songs and find out facts from their chosen countries.

Modern Foreign Language.

Miss Norton and Dosbarth Derwen are taking part in a pilot project where they are having Spanish lessons once a week. We are sure you really enjoyed the song they sang as part of their Harvest concert.

Maths learning walk.

Mrs C Davies, a selection of pupils and governor Mr Terry Flanagan completed a maths learning walk. They visited every class and saw lots of activities and learning going on in and outdoors including data handling with crates outside, rmeasimaths on the computer, fractions, maths games, numicom matching! There was a lovely mathematical atmosphere in the school and all the children were engaged in their activities and talking maths! Mrs C Davies was VERY impressed :-).

Welsh workshop.

Mr Lea returned and visited year 6 as part of the Ysgol Dinas Brans transition project. He took them all for a Welsh lesson on food with them. It was lovely to have him back and the children really enjoyed the session.
