

Parent Information

School days.

School starts at 8:55am.
Please make sure your child is
in every day and is in on time.
We have lots of class and
whole school rewards the
children are working towards.

Did you know we have lots of resources you can borrow and take home ?

Numicon kits are available and include ideas on how to help your child with their maths. Mrs Eleanor Roberts has all these kits, which we recommend for children in the foundation phase and any children who might need a little help.

Jolly phonics kits.

Jolly phonics kits are available to help reinforce letter sounds. Mrs Eleanor Roberts has all these kits, which we recommend for children in the foundation phase.

Storysacks.

A wide selection of storysacks are available for you to take home and share with your child. Please see your child's class teacher anytime you would like to borrow one.

Playbags.

Our newest resource which will be coming home soon are play club play bags. This is a fun way to play games and interact with your child. This resource is for Nursery to Year 2 pupils. Please see your child's classteacher.

Is your child having difficulty telling the time?

We recommend analogue watches like this. The children love wearing them and telling the teachers the time!

On computers and i-pads we recommend:

All your
children have
their logins in
their learning
logs.

How long should I read with my child for?

Little and often!

Try and spend at least 15 minutes every night sharing a book with your child.

Please practice timetables with your child. Ask them about the mad minute !!

MATH
ROCKX

By the time children leave year 2 they need to know their 2s, 3s, 4s, 5 and 10 times tables !

Spellings.

Please remember to
practice your spellings
for your weekly test.

Are you worried your child may have an additional learning need?

Mrs Theobald-Beaumont is our ALN teacher. She works Tuesday-Thursday. If you have any worries or concerns about your child please see their class teacher or Mrs Beaumont, who will be happy to help.

Would you like to know what your child has been learning about and experiencing in school?

Each class has a scrapbook filled with pictures and quotes from the children sharing information they have learnt. Why not pop into class at the end of the day and take a look!
