

Summer Term Newsletter – Dosbarth Helyg

Welcome back to school – I hope you all had a lovely Easter break. Here are a few quick reminders to help things run smoothly in school.

This term our topic is based on the theme Dinosaurs and then our local area after half term which was chosen by the pupils in Class.

Wellingtons

We spend lots of time outside learning in our outdoor areas. To keep the children's school shoes as clean as possible. Please can you send in a pair of wellingtons that can be kept in school for the term with your child's name written inside them? Can you send them in a carrier bag which can be hung on their pegs?

Reading

Reading is one of the most important things you can do with your child. You can read everything - signs, food labels, magazines, mobile texts, books! We encourage you read to your child everyday as well as listen to them read to you. It is best to read every day in short sessions rather than read a whole book in one night only once a week.

We will be sending a book home for you to enjoy together, this book will be changed in school on set days. Please fill in the reading record book that comes home with your child so we can praise their efforts and time spent reading at home with you.

It is very important that your child brings his/her reading folder, reading book and reading record to school every day.
