NEWSROUND

3.6 million pupils watch Newsround in UK schools including our own. Newsround is an age appropriate, balanced and easy to understand, safe alternative to mainstream news and helps children to understand world events. Newsround is designed for pupils aged 6-12 years old and the stories and language used in the short 5–8-minute bulletins reflect this. Sometimes some of the bulletins cover politics and current conflicts but these are tailored to be understandable and less overwhelming for a younger audience. As parents and educators, it is important we prepare our children for the world we live in, in a safe environment where they have an opportunity to ask questions and receive the facts. If any parent has any concerns regarding their child watching Newsround in school, please contact the school.
