If you think you may qualify for benefit related free school meals, please apply through Denbighshire County Council's website during the summer break in readiness for your child starting school full time. Even if an older sibling is in receipt of FSM, you will still need to apply for a younger nursery sibling. By applying you can benefit from subsidised music lessons, breakfast club childcare and subsidised residentials, as well as being able to apply for the essentials grants through the Welsh Government. If you need any assistance, please contact the school office.

HEADLICE

Please remember to check your children's hair and all members of the family for head lice on a regularly basis and treat if live lice are found.

Checking for head lice shouldn't be considered a big deal; it is just a normal part of a family's personal hygiene routine like brushing teeth or washing hair.

- It is best to check for head lice using a comb made for the purpose, ideally white so they can be easily seen and with teeth no more than 0.3mm apart in order to trap head lice
- Combing through the hair when wet, or after applying a conditioner, may make the process more comfortable
- Good lighting is important and so is comfort

Treatment should only be applied if a living, moving louse is found – never 'just in case'

Continue to check for head lice on a regular, weekly basis – **ONCE A WEEK, TAKE A PEEK** www.onceaweektakeapeek.com
